Dressage Bay of Plenty proudly thanks the following  
Sponsors and Supporters

## A Message from the Presidents

**We would like to extend a very warm welcome to all riders, judges, officials, sponsors, supporters and spectators to the 2025 Dressage Bay of Plenty Kiwi Arena Rakes Premier League Show in association with Vivant Equi!**

We are proud to offer a full programme of Dressage New Zealand graded classes, as well as Novice and Grand Prix Para Equestrian divisions, and a non-graded section aimed at newcomers and less experienced riders.

This year, we are excited to introduce the **San Mateo Tech Effects Trophy**, donated by Jodie Thorne in memory of her wonderful para horse. This trophy will be awarded to the top para combination of the show.

We are also offering classes that contribute points toward a new national series, designed to encourage Young Riders to compete in the FEI tests.

As always, we extend a huge thank you to our national sponsors who so generously support dressage in NZ. They are featured throughout the programme.

If you have looked up at the stairwell of the indoor arena, you will have seen the large banner of **Vivant Equi**, our naming rights sponsor for this show. Vivant Equi is offering competitors a **25% storewide discount** for a limited time—jump online and take advantage of this wonderful offer. Use the code **BOPCHAMPS25** at checkout. Juliet, the owner of Vivant Equi, will be on the grounds throughout the show. She is not only a major sponsor of dressage but also a hard-working member of the BOP committee. If you see her, be sure to stop for a chat!

We also welcome back many of our loyal local sponsors from previous years. Please visit their trade stands and support them with your custom wherever possible. A large blank thank-you card will be located near the office for riders to sign. This will be copied, personalised, and sent out to sponsors after the show. Sponsors love hearing from riders, so please also consider sending a quick personal thank-you email.

Running a quality dressage show in challenging economic times is no easy feat. We are doing everything we can to avoid overburdening riders in what is, quite frankly, an expensive sport. You may have noticed the **Rider Volunteer Levy** mentioned in the schedule. This is a new initiative from Dressage Bay Of Plenty to help keep class fees down and increase volunteer support for running the show. We hope you enjoy the time you contribute—it makes a real difference.

Another new concept we are trialling this year: everyone is invited to our **Sunday evening sponsor function**, upstairs in the indoor arena, timed to coincide with the Grand Prix Freestyle (and a little later). We are calling it the **“Not Prizegiving”** because the focus is on a relaxed get-together. Riding attire is not required—collect your rosettes when you are ready, enjoy the cash bar, and help yourself to nibbles.

Another new initiative is the presentation of **prize packs kindly sponsored by Canter for Cancer**, one for each grade. Instead of awarding them to the champions, they will be drawn from all eligible riders at the end of the Not Prizegiving (you must be in attendance to win).

We will also be drawing our **fundraising raffle** during the evening—with some seriously epic prizes. Don't forget to grab your tickets!

And we will present the **Peter Jenkins Memorial Award**. For more information, please refer to this programme and the [Dressage BOP website](#).

Finally, we shout out a huge THANK YOU to our amazing organising committee—without whom this show simply would not happen. The event would be prohibitively expensive if these dedicated individuals were paid for the incalculable hours they've contributed.

We wish everyone a fun, safe, and rewarding show. Be mindful of your pony's welfare, be thoughtful toward your fellow competitors, and we will see you out there smashing goals!

**Barb Clarke and Otilie Upshall**

# Awards and Eligibility Criteria

## Champion and Reserve Champion

Levels 1 – GP and Para Equestrian Champion & Reserve Champion Awards: Points will be allocated across the classes indicated in each level in order to calculate the Champion & Reserve place getters. Points are awarded as follows: 1st place = 20 points to 20th place = 1 point.

In the event of a tie: Non-Grading: the combination with the highest placing in the 1B test will be the winner.

Levels 1 – 9: the combination with the highest placing in the Super 5 test will be the winner.

Para: the combination with the highest placing in the Para Test B will be the winner.

In the event of a further tie, the highest average percentage for the three championship tests will be the winner.

The OC reserves the right to merge championships within a level where insufficient entries are received.

*NB: If results are below 57% (i.e. below the required 57% to get 1 grading point as per the Rules of ESNZ Dressage), no championship will be awarded. The Preliminary Non-Grading classes are exempt from this condition. OC reserves the right to change*

## Special Awards

Please note from this year we will be applying a new method to calculate the following awards (see below):

**Best Performed Junior Rider\*** – on a horse or pony, rider may be up to and including 16 years as of 1<sup>st</sup> August 2025.

**Best Performed Young Rider\*** – on a horse or pony, rider must be over 16 and up to 21 years of age as of 1<sup>st</sup> August 2025.

**Best Performed Master's Rider\*** – on a horse or pony, rider must be 50 years or over as of 1<sup>st</sup> August 2025.

**McDreamy Trophy: Best Performed BOP Combination** – Donated by Kellie Hamlett. Riders competing in graded Prelim – GP are eligible and must be a current financial member of one of the 4 BOP dressage groups.

---

**Kendelmere Cup: Best Performed BOP Amateur Combination** – Donated by A&R Tebbutt. Originally donated when amateur and open classes were available. Now for bronze and silver riders from non-graded Prelim – Medium. Riders must be a current financial member of one of the 4 BOP dressage groups.

---

**San Mateo Tech Effects Cup (Jodie): Best Performed Para Combination** – Donated by Jodie Thorne in memory of Tech. Includes GP and Novice.

A new trophy has been donated to the Bay of Plenty Championship Show in memory of a very special horse, San Mateo Tech Effects, who played a pivotal role in Jodie Thorne's para equestrian journey. Tech provided Jodie the confidence to progress from a nervous RDA rider to competing in the main oval at Horse of the Year and shaped her into the rider and trainer she is today. As the Bay of Plenty Championship Show was always Jodie and Tech's favourite, it feels like the perfect place to honour him.

The trophy will be awarded to the Best Performed Para Equestrian Combination at the show. The award will be open to all para riders in recognition of the wider para community who participate and support our show. Eligibility will include all levels, from Novice through to Grand Prix.

The winner will be decided on a points-percentage system, calculated across the three tests ridden over the week-end. Points will be allocated according to score and weighted by test grade, with higher points available at the upper levels to reflect the greater degree of difficulty.

Points will be calculated as per the table below. Each combination's dressage scores from each day (omitting Freestyle scores) are averaged and the result is multiplied by a Level Factor to reflect the progressive increase in difficulty through the grades. In the event of a tie:

- 1) The combination contesting the highest level will be the winner.
- 2) If two combinations in the same grade are tied, the freestyle result will be taken into account. For tied Preliminary combinations the higher placing in the Super 5 test will be declared the winner.

**Formula:**     **Points = (Average Percentage) × Level Factor as shown below**

| Level              | Factor | Level       | Factor |
|--------------------|--------|-------------|--------|
| Preliminary        | 0.110  | Advanced    | 0.120  |
| Novice             | 0.112  | Small Tour  | 0.122  |
| Elementary         | 0.114  | Middle Tour | 0.124  |
| Medium             | 0.116  | Grand Prix  | 0.126  |
| Advanced<br>Medium | 0.118  |             |        |

# Prizegiving Presentations

## Sunday

On Sunday evening, we'll host "Not Prize Giving"—a relaxed and informal gathering upstairs in the indoor arena. It will begin after the GP Freestyle (exact time will be included in the rider notes).

No need to dress up—just come along and enjoy the evening. The bar will be open, complimentary finger food will be provided, and our valued show sponsors will be there. We kindly ask that you collect your rosettes and take the opportunity to meet and chat with our wonderful sponsors.

There will also be a photo area if you'd like to capture the moment. We hope this new format will be a fun, relaxed alternative to a formal prize giving!

## Monday

Super 5, Champion and Reserve prize givings for all Championships and Special Awards will be held once we have final results for each class – times to be confirmed.

Riders must in competition attire.

**It is a Dressage Bay of Plenty policy that all prize-winners must be present to collect their awards in person unless prior arrangements have been made with the event secretary. Unless this policy is complied with, rosettes, trophies and/or prize money may be forfeited.**

## SUPERIOR RUBBER SURFACES

(Since 1997)

Quality Equine Safety Matting - Seamless, Sealed, Non-slip  
Providing safe & hygienic footing for all applications

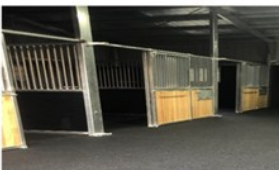

Proven, durable, tailor made and installed on site, available throughout Australasia. Our matting is "not" hard pressed, so the full elasticity of the rubber is available, ensuring your horses get the most comfort, and secure footing available.

Being completely sealed, seamless and bonded to the floor, dung/urine and other contaminants cannot penetrate through the matting. Noise is virtually eliminated, which makes a big difference on stress levels.

Our products are installed in Horse Transport, Parade Areas, Breezeways, Stables, Tie Ups, Wash Bays, Horse Walkers, Crush/Veterinary Rooms, and other hazardous areas.
